

why a rewards program?

We are always looking for creative ways to grow as a business, so we realised: why spend money on advertising to strangers when we would rather invest our money into our own cherished clients?

“Saying thank you is more than good manners. It is good spirituality”.

Alfred Painter

We look forward to serving those you care about and to continue providing you with the utmost care of your nervous system.

above - down - inside - out

above

Above is about life force. The power that made the body heal and coordinates function and life potential.

down

Down is about bringing life force or energy into the body and helping the master control system, 'the brain' communicate the wellness message throughout the body, via the nerve system.

inside

Inside is the generator. Without your control system working properly, we can hardly expect optimal life expression.

out

Out is about doing it! Allowing the pure expression of growth, health, energy and enthusiasm for life that is expressed when our body is free to do so!

VIP gratitude rewards program

VIP Gratitude Rewards Program

As an enormous **thank you** to all our awesome clients who help us build our practice, by telling those people who they love and care for about us. We are excited to announce the launch of our VIP Gratitude Rewards Program.

We have four levels of gratitude membership;

SILVER, GOLD, PLATINUM & DIAMOND.

As you reach each level of membership, you will receive a special gratitude membership key ring and special gifts and privileges including free holidays, discounts and other gifts valued up to and over \$500.

“What’s the catch?” we hear you say....

The only condition that we place on your involvement with our program are simple:

1. You must tell the person you are referring that you are participating in our program and you are rewarded by recommending c4w.
2. Only those clients who are thrilled with their service at c4w should refer their friends and family and become part of the program.

It’s as simple as that! Just tell your friend or family to mention your name when they book in for their initial consultation. They will then qualify for 50% off their initial visit.
